

The world's most understanding poster.

This poster is for folks being trafficked for sex. We know, if you're reading this poster, it will be one of the few moments today when you're not being watched, controlled and made to sell your body for sex. We can only imagine how you feel. You may think you have no escape. And that you have no choices. But you do. You are not alone. We can help. The police will not be involved, unless you want them to be. We are the world's most understanding human trafficking hotline. We do not judge. We listen. Please call.
